

Directors Charter

All Directors will:

1. Be aware of all current Health & Safety legislation and actively ensure the Fringe meets all legal requirements.
2. Be accountable for the financial decisions agreed by the board.
3. Take an active role in their particular designated area, or areas, and to take full 'hands on' responsibility to achieve that aim over the period of their yearly appointment.
4. Attend at least 75% of meetings during the year and all meeting in the weeks preceding the Fringe.
5. Take an active part in the Fringe weekend in terms of taking responsibility for all aspects of their given area. They must also take Stewarding shifts and be prepared to be the public 'face' of the Fringe.
6. Ensure that any potential business interests are declared.

Note: Directors can take part as performers but not become paid suppliers to the SFF LTD.
